DLM Forum Member Meeting 28-29th November 2018 Vienna, Austria

The Austrian States Archives are pleased to invite members of the DLM Forum to the Member Meeting in Vienna on the 28th and 29th of November, 2018.

The venue of the meeting is the Conference Hall of the Austrian State Archives (Nottendorfer Gasse 2, 1030 Vienna). The Archives are situated only 5 stops by underground from the City Center.

During the conference, Vienna will be in the middle of the holiday season. The city comes alive with lights, music, Christmas Markets and more. If you are considering a long weekend in Vienna, you might enjoy the magical Christmas spirit and get some gifts at its great shopping boulevards. The Christmas markets are selling traditional food, mulled wine and hand crafted goods and are loved by both locals and tourists alike.
