DLM Forum Members Meeting – Riga – 16-17th June 2015

Information Governance – Opportunities for Harmonisation of Understanding, Approaches and Activities

Members of the DLM Forum Foundation meet for a two-day members' meeting twice a year in spring and autumn. Meetings are traditionally hosted by the country that holds the EU presidency.

- Information and records management best practice and techniques
- Connection between records management systems and digital preservation systems
- Pre-ingest, ingest, preservation and access – interoperability and e-archiving
- Re-use of public sector information – implementation of the 'PSI Directive' in archival practice
